## REPORT OF FINANCE COMMITTEE FOR FISCAL YEAR ENDING AUGUST 31, 1926

Presented to the Board of Trustees at their Annual  
Meeting, Monday, June 13, 1927

A Supplement to this report will give figures for the  
school year 1926-1927, to June 6, 1927

*To the Members of the Board of Trustees of Lebanon Valley College:*

The Finance Committee is herewith presenting its report for the fiscal year beginning September 1, 1925, and ending August 31, 1926. A supplementary report giving a record of the business for a portion of the present fiscal year will be ready for distribution at the meeting of the Board.

### **Endowment**

The Endowment Fund at the end of the fiscal year was \$543,483.89. There was added to the Endowment Fund during the year \$75,515.59. Of this amount \$50,790.67 was paid by subscribers, and \$24,724.92 by the General Education Board (Rockefeller.)

### **Endowment Income**

Schedule III, page 11, shows the total net receipts from the invested funds in the Endowment Fund was \$26,847.22. Of this amount \$23,626.49 was paid into the College Treasury for general expenses, professorships, and books for the Library. The balance was put into scholarship funds to be distributed as specified by the donors.

### **Scholarships**

Schedule IV, page 11, gives a record of the scholarships and other financial assistance given to students during the year. This record shows that rebate to ministers' children amounted to \$1,450.00. The total amount given to students having license to preach was \$2,850.00.

### **Extension**

Extension classes were conducted by our faculty at Annville, Lebanon, Harrisburg, and Tower City, with a total enrollment of 143. The amount retained by the College was \$580.88, as indicated in Schedule IX, page 14.

### **Summer School**

Summer School was conducted both at Annville and Harrisburg during the summer of 1926, with a total enrollment of 185. The College retained \$598.48 as its share of the proceeds.

### **Music Department**

The report of the Music Department shows a deficit for the year, which is partly due to the re-building of the console of the pipe organ.

### **Repairs**

The total expenditures for repairs for the fiscal year amounted to \$10,814.81. The amount expended on each building is as follows: Administration \$267.70, Engle Hall \$212.74, Library \$424.79, Men's Dormitory \$718.39, North Hall \$1,359.11, South Hall \$1,737.46, Heating Plant \$2,982.95, President's Home \$294.37. The balance of \$2,816.30 was spent on Cesspool and Campus.

One of the reading rooms in the Library was fitted out with additional shelving to care for the needs of the Library.

Several permanent cases for the Museum in the Administration Building were purchased. The equipment of the Museum will be spread out over a period of two or three years in order to distribute the expenditures.

Concrete curbing was placed on the three sides of the Campus, and the walk along Main Street re-laid to conform to the grade established by the State Highway Department.

In accordance with the recommendation of the Board of Trustees the residence of Ralph Brewer, located on the corner of Sheridan Avenue and White Oak Street, was purchased for \$7,200.00. \$4,000.00 was paid in cash, which amount is covered by this report. The balance of \$3,200.00 together with the cost of renovation and equipment of the home, was paid during the present fiscal year, beginning September 1, 1926, and is not included in the figures of this report.

It will be noticed by careful examination of this report that the College has extended its activities very materially, and that extensive repairs have been made and paid for, as well as a substantial payment on the Brewer home. Also that we have a substantial balance on hand at the end of the fiscal year, all of which is very gratifying to the Committee.

A. S. KREIDER

Chairman of Finance Committee

P. S.—For the information of the Board of Trustees we wish to state, that by paying the balance of \$3,200.00 due on the Brewer home, together with the remodeling of same, which cost us \$5,270.61, and the equipment of the home, which cost us \$1,718.47, we have incurred no debt to the College, as this balance, as well as the cost of remodeling and equipment, has been paid, and we hope to close the year on September 1, 1927, notwithstanding these expenditures, with a balance on hand.
